Dear Friends of the Home:

Christmas here at the home this year has been a true blessing to the staff and especially the children. It is wonderful to see faces light up and joy come to already happy kids. We have enjoyed the many groups that have come and shared a part of Christmas with us. The children are so grateful for the gifts that have been given to them, and the staff as well. God is a wonderful God and will bless those who have given both in gifts, prayer and offerings, and time.

Most of these kids know how it feels to not have much of anything for Christmas. One of the reasons they are so excited and happy during this time of year is because of the love and support you show them. I understand that you don't give to the children here for the recognition, praise, or a pat on the back, but one is in order. Thank you so much for all you do, and for your gift of produce, donuts, ground beef, spaghetti, pasta and tomato products.

Please know that we are truly thankful for you, and may God abundantly bless you!

In His service,

Paul R. Denny
Assistant Administrator
