Dear Armful of Help:

As you know, we at Helping Hands Ministry feed, clothe and offer a clean bed to the homeless. We are in need of any help we can obtain from any organization.

On behalf of Helping Hands we extend our gratitude for your cooperation in feeding the hungry. The contribution of potatoes, salad dressings, sausages and other food that was needed was and still is greatly appreciated.

Once again, thank you for your generosity and concern on feeding the homeless.

Sincerely.

  
Rosa Marti  
Administrator Director

MAY THE LORD BLESS YOU RICHLY!
