Dear John,

I want to take this opportunity to thank you for the wonderful contribution you are making to our ministry at Luther First Baptist Church. It has long been a desire of our church to provide a place where people can come to get food and other goods they need. Armful of Help has been, along with small donations from our church people, a great source of supply. We have given out much more than we could have ever imagined because of your help.

Here are some of the things we are doing with the food and other goods you are bringing us :

- needy families are coming to us for help
- community needs such as providing food for funerals and civic benefits
- supplying food and other goods for victims of fire and other disasters
- supplying other churches with goods, if necessary

We plan to continue this endeavor indefinitely. We hope that we can count on Armful of Help in the future. Thanks so much for meeting a need in our ministry, so that we may meet a need in our community.

*God Bless You,
Bro. Derrick*
