Re: Benevolent Load of Food Items

Dear Bro. Tommy,

Greetings this snowy February! We thank the Lord for His merciful sharing of the moisture for our drought covered nation, even though it is hard to maneuver through!

Bro. Tommy, we wanted to thank you, from the bottom of our hearts, for the generous load of food items you loaded for us last week. These items of food, beverages, water and staple goods are a life saving contribution for the severely needy in the coal mine areas of Eastern Kentucky and West Virginia.

Please know these items will all be distributed and in the homes of the families within two weeks! We have sorted and delivered to the distribution outreach centers a goodly portion of these items already. We were hampered by the snowstorm, but will complete the delivery during the week of 2/9-14/2003. These people who hand deliver, or give out the food boxes, were overjoyed that there was meat in this load. They and we seldom receive donated meat products! We praise God for His provision, coming through your kind hands:

Green Pastures Ministries serves some of America's poorest families, via personal ministry outreach and networking with other ministries that serve these regions daily. We bring them anything and everything our Heavenly Father provides. Thank you so much for being a vital part of our outreach to those who are hurting. As you see in our enclosed Brochure (and the Needs List) we have a large need, we stress the need for Christ Jesus in every persons life, and His presence in every home. We share Jesus with each family, and the outreach groups we work with do also. Our call is to bring the knowledge of salvation through Jesus Christ along with the necessities of life, to these who are so hopeless and in such dire need!

Thank you again, for your generosity and kindness in sharing the warehoused goods with our families. Please keep us in mind, when goods are available. We will continue to communicate with you, and work through Bro. Matt Roller to arrange for items ready for disbursement.

God bless you and each of the others that played a part in meeting the needs. May our Lord give you peace, blessings, perfect health and strength from His own hand. Thank you again.

Serving the Sheep until THE Shepherd returns,

Sylvia J. Jones, Exec. Director
