To all interested parties:

This organization desires to thank all donors, especially those who donated to us for Katrina, Wilma, Rita and other disasters. One of our donors needs special attention! This is The Arm Full of Help. Many thanks to them for their magnificent donations.

We partner with the American Red Cross all year to help --- victims, and others in crisis. We were honored when the American Red Cross, The Salvation Army, and Indiana Homeland Security asked us to be headquarters for the physical donations. Red Cross told us the donations would be pouring in and they were so right. 3 Warehouses full and 8 semi-trailers on our grounds! We served over 300 families who were relocated to Indianapolis, and we filled over 30 trailers to go to the southern states.

We are ready, willing, and able to serve in any other disasters, be it local, national, or international.

Again, thanks for helping us to be a help in time of need. Red Cross told us they would have never been able to do the part we did! And you helped!!!

Hope International Ministries, 1205 E. New York Street, served as our referral agency during the Hurricane Katrina response for donated items. Hope Ministries received goods from hundreds of individuals and businesses. We were then able to refer our clients (over 940 Hurricane Katrina families) to Hope Ministries to service these clients.
