On behalf of Family Christian Outreach, a project of Family Care Foundation, we would like to express our deep gratitude for your donation of 8 pallets consisting of the following items: medical & surgical supplies, toiletries, clothing, and food items to be sent with a missionary relief team taking aid to Honduras. We can't tell you how much of a God-send your donation is at this time! We were able to pass them on immediately to missionaries who work in Honduras. These missionaries had come up to the States and have already sent off 7 containers, and the items you provided will fill up an 8th container!

We do pray and trust that you and yours will be rewarded with your needs even as you have helped these poor folks in Honduras. We know that God will bless you for your cheerful giving.

Sincerely in Christ,

Christina Fuller
