Dear Jennifer,  
I just want to thank you for all the loads of  
donated foods & non foods that we receive from  
Arm Full of Help over the years. Enclosed are  
some articles about our program and some  
statistics on our poor economic conditions  
here in the Valley. Ever since our Steel Mill  
were shut down and the loss of over 15,000  
good paying jobs. It has been like this for the  
past 20 years and our numbers are up for  
people looking for food assistance on a  
daily basis. Your support is needed more than  
ever here in our Valley.  
much appreciated  
Joseph Lardi Ex Dir.
