Dear Jennifer Kolbeck,

How thankful we are at The Salvation Army for friends like you who have weathered this storm with us.

We are deeply saddened by the terrible loss of life and devastation that has occurred over the past weeks, yet we are sustained by the compassionate response of our friends and neighbors. Gifts have poured in from all over our world for the families and individuals so traumatized by these disastrous events. As we have been devastated the worst, we have shown our best. Nowhere has it been truer of our human race than at times of natural disaster and the worst of situations that our best of compassion and caring has come to the forefront in our hearts and minds.

The Salvation Army believes we are the children of one Creator and the inhabitants of one planet not by chance but by design. Whatever your faith or conviction, we are grateful for your support of our work and your trust in our service and integrity in "DOING THE MOST GOOD" we can with your generous gift. We do not take your trust in our organization lightly nor do we use your gift without careful thought.

Again please accept our heartfelt thanks for your gift of 20 pallets cleaning supplies to the hurricane relief effort.

Sincerely,
