RE: Donation of blankets, sheets, pillow, other linen

Dear Jennifer:

It was a pleasure to speak with you this afternoon. I appreciate your interest and efforts in assisting the victims of hurricane Katrina.

As we discussed, the Salvation Army is very interested in acquiring the blankets, sheets, pillows, etc. which are a necessity for the victims affected by hurricane Katrina. These donated linens will likely be distributed to La Place, LA.

You have been such a wonderful blessing to our relief operation, and the Salvation Army is very grateful. Thank you for your continued interest.

Regards,

Major Chuck Kelly
